English translation prepared by Riyadh Schools – Misk City from the official Arabic FAQ. If anything differs, the official Arabic version applies.

1 What is the KAUST Mathematics Competition (KMC)?

A national mathematics competition organized by King Abdullah University of Science and Technology (KAUST) for male and female students from Grade 6 to Grade 11 (6th primary to 2nd secondary), Saudi and resident, at schools in the Kingdom. It aims to develop higher-order thinking and a love of mathematics, and to provide a platform for outstanding academic competition.

2 Who can take part?

The competition is open to all students from Grade 6 to Grade 11 (6th primary to 2nd secondary), Saudi and resident, at schools in the Kingdom.

3 How do I register?

Registration is online: **registration page**. Students complete the registration form and pay the participation fee.
Important: a student's registration is not active until the fee has been paid.

4 What is the registration fee?

SAR 100 per student, non-refundable.

5 What are the stages of the competition?

Stage 1 (qualifying): held in person. Test centres open in the 16 general education directorates, plus KAUST (Thuwal), depending on registration numbers.
Stage 2 (final): held at KAUST over 3 days, for the top students who qualify from Stage 1.

6 What kind of questions are there?

Stage 1 (multiple choice): Grades 6 and 7: 24 questions · Grades 8 and 9: 24 questions · Grades 10 and 11: 30 questions.
Stage 2 (final, all tracks): 6 to 8 written-answer questions.
All questions are given in both Arabic and English.

Frequently Asked Questions

مـدارس الريـاض
Riyadh Schools
Misk City | مدينة مسك

7 Are there sample questions?

Yes: **sample practice questions for the competition**.

8 Do students pay for the final round?

No. All costs for students nominated to the final round are covered, including:

- Accommodation at KAUST
- Full meals during the competition days
- Domestic flights
- Transport

9 What are the competition tracks?

The competition runs in tracks to ensure fair opportunities across age groups:

- **Track 1:** Grades 6 and 7 (6th primary and 1st intermediate), with questions suited to their level.
- **Track 2:** Grades 8 and 9 (2nd and 3rd intermediate), with questions suited to their level.
- **Track 3:** Grades 10 and 11 (1st and 2nd secondary), with more advanced questions suited to their level.

10 What are the prizes and rewards?

- Special prizes recognizing outstanding achievement for Track 1 winners.
- Free participation in academic programs run by KAUST Academy.
- The top student in Tracks 2 and 3 receives an exceptional opportunity to join a summer training camp at the University of Cambridge, United Kingdom.

11 Where will the competition take place?

First-round test venues will be in the main cities of the education directorates; venues will be announced after registration closes on 12 December 2026.
The final round will be held at KAUST from 2 to 4 April 2027.
